

Hand Owl Craft

Remember to print the pieces for this craft before you begin.

1. Colour in the feet

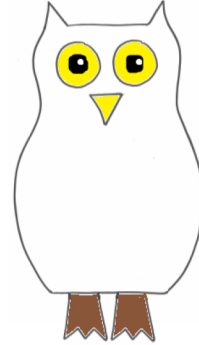

Eyes

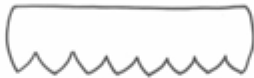

And beak

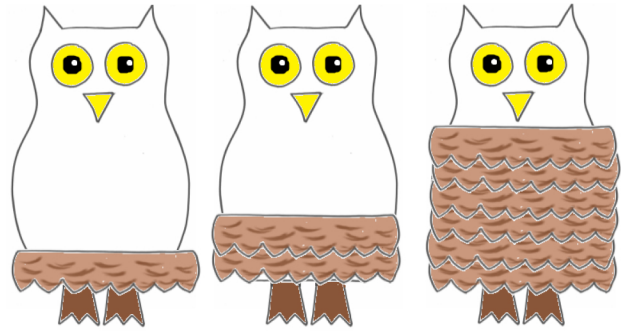

2. Cut out all of the pieces and glue them onto your owl body

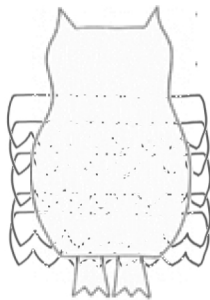

3. Colour in your owl feathers. Be creative!

4. Glue your feathers on starting at the BOTTOM so that they can overlap

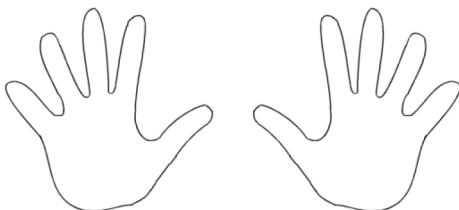

5. Flip your owl over and trim off the excess feathers

6. Colour in your owls face or use the excess trimmed feathers

7. Use a blank piece of paper to trace your hands to make the wings

8. Colour them in, cut them out, and glue them onto your owl body
