

Toilet Paper Roll Bird Craft

Create your own pieces or print our templates here!

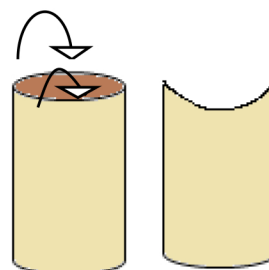

<p>1. Paint or cover an empty toilet paper roll with coloured construction paper</p> 	<p>2. Print and colour, or draw your own wings and a tail, then glue on to your roll</p> 
<p>3. Add feathers and a beak</p> 	<p>4. Finally add on two eyes!</p> 

What other birds can you find in the Rouge Valley?

A Blue Jay and a Mallard!

Make a Great Horned Owl by pushing the top of the roll down inwards on both sides and gluing down to make the "horns". Glue on craft feathers too!
